Like Father is a coming-of-age musical set against America's true-crime obsession. After her father's arrest, seventeen-year-old Chris moves in with her estranged mother, Michelle, and stepfather, Ben. When a hit true-crime podcast exposes their family's disturbing past to the world, they are forced to face the truth of what brought them together, or risk being undone by its consequences.

Driven by a bold, innovative folk-pop score, *Like Father* explores legacy, identity, and the cost of obsession, inspired by the loved ones left in the wake of infamous serial killers—and by the true-crime podcast industry's meteoric rise to over 250 million listeners worldwide.

Like Father is commercially produced by **Westway Studios, Howard Alter, Zachary Hausman, and Madison Thompson**, along with co-producers **Happy Recap Productions, Jonathan & Rae Corr, Steven N. Lerner, Caryl & Kendrick Smith, City Cowboy Productions, Kerri Mandelbaum, Fahs Productions, Bonnie & Michael Hausman, Leachman Feigelson Productions, and Ella Lao & Amy Lao**.
